

PORTFOLIO & PROJECT ENGAGEMENT SERVICE

BY NIK MORRIS
DIRECTOR OF NJM CONSULTING

WHY CHOOSE A PORTFOLIO & PROJECT ENGAGEMENT SERVICE (PPES)?

Good decisions start with a good decision-making BUT
the human decision making process is often flawed

WHY?

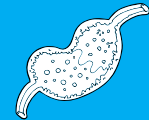

We do not handle
complexity
anywhere near as
well as we like to
think!

Our inherent biases
impact our thinking.

Our goals and our
organisation's goals are
not always the same.
We too often default to
"gut" instinct.

We too often default to
"gut" instinct.

Manage and prioritise project requests with a powerful and collaborative prioritisation
process to enable better portfolio decisions with more buy-in.

WHY CHOOSE NJMC TO PROVIDE YOUR PORTFOLIO & PROJECT ENGAGEMENT SERVICE ?

A turn-key solution is needed in a hurry

A fully managed solution with minimal downtime impact on organisation

The Need to improve decision making success and buy-in

You need a structured evaluation of potential project with expert input and data

Numbers of stakeholders to manage

When your project decisions have a large financial impact.

Multiple criteria to managed

Sensitivity analysis and scenario testing

NJMC'S PORTFOLIO & PROJECT ENGAGEMENT SERVICE

Manage Stakeholders

We gather the details of your stakeholders - Executives, decision makers, project managers,

Communicate to Stakeholders

We communicate to all stakeholders and inform them of the service and availability of training.

Conduct Training

NJMC conduct training on the PPES process and online tool. The training is a mixture of online instructor led and online recorded sessions.

Manage Stakeholders

NJMC set up the portfolio instance of the tool and configure it for the given stakeholders.

Arrange Prioritising Meetings & Executive Decision Meetings

NJMC send out regular meeting notices for the Executive Decision Meetings to all stakeholders.

Facilitates Executive Decision Meetings

NJMC facilitates and acts as recorder of the Executive Decision Meetings

Output Executive Decision Meetings

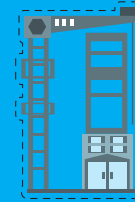

NJMC propagates the decisions of the Executive Decision Meeting to all stakeholders.
